

Downtown Martinsburg Revitalization Underway with New Concert Technologies Call Center

DULLES, VA, January 29, 2015– Concert Technologies today announced the opening of its [Martinsburg, WV location](#) from which 48 employees will work to support the company’s global [technology rollout operations](#).

Concert’s new office space in downtown Martinsburg, WV is large enough to allow plenty of room for future expansion of its growing [state-of-the-art call center](#) supporting its [global technology rollout operations](#).

As reviewed in a [YouTube video](#), Concert Technologies’ strategic move to [Martinsburg, WV](#) was based on many of the benefits this historic location provides:

- Shops and restaurants for employees to enjoy on Queen Street
- Business-friendly city focused on revitalization
- Easy commute for employees with quick access to the Marc train and the route 81 and route 9 highways
- Reasonable cost of living and beautiful, affordable housing
- Hiring pool to support future growth

“Martinsburg, WV provides a historic community with all the conveniences of a downtown area,” said Dennis Mazaris, President and CEO of [Concert Technologies](#). “As a business-friendly city experiencing growth of its own, it was an easy decision to relocate our global technology rollout call center to Martinsburg.”

The City of Martinsburg serves as the county seat to Berkley County and is the long-standing commercial and cultural hub of the county and Eastern Panhandle of West Virginia. As the state’s fastest growing city, Martinsburg honors its historic heritage and works to ensure its future through high-quality services to businesses and residents, planned growth in commercial and residential areas, as well as major roadway and utility improvements.
